Students

Students Feedback was taken regarding syllabus completion, quality of teaching, books availability in library, knowledge gained etc. Students feedback was positive and satisfactory and had an important point on how do you rate the syllabus for employment opportunities. Students who were employed or working part time with companies provided some valuable suggestions. The suggestions were discussed with the management and principal; and it was decided to provide the suggestions to the University of Mumbai through BOS members.

Teacher

Teacher's feedback on curriculum completion, updation of subjects with industrial standard, timely completion of syllabus, delivery of lectures, techniques of teaching undertaken, assessment of students etc. was undertaken. The outcome of the feedback was as per the expectations. The suggestions provided by teachers were noted and provided to management and principal for adoption and improvement.

Employer

The institution invites companies and firms to campus for providing full time and part time job opportunities to students and ex-students. Employer's feedback is also undertaken to understand students communication skills, leadership qualities, creativeness etc. The feedback also focused on suggestions to improve students employability and curriculum matching with current industrial requirement. Employers provided few suggestions which the institution tried to implement through various academic and nonacademic activities such as free tally courses, personality development sessions, certificate courses, field visits etc.

Alumini

One of the important aspect of feedback is suggestions from our alumini. Feedback from alumini comprised of teaching standards, contribution of college in their personality development, employment opportunities provided by the institution, activities institution should undertake for the students etc. The responses were overwhelming and valuable which were incorporated by the institution.
